

Cookie Policy

This policy describes the use of cookies on the websites managed by NOVITUS. The policy explains our principles when it comes to the collection, processing, and storage of your information.

What are cookies?

Cookies are small pieces of data, stored in text files, that are stored on your computer or other device when websites are loaded in a browser. They are widely used to "remember" you and your preferences, either for a single visit (through a "session cookie") or for multiple repeat visits (using a "persistent cookie"). They ensure a consistent and efficient experience for visitors, and perform essential functions such as allowing users to register and remain logged in. Cookies may be set by the site that you are visiting (known as "first party cookies"), or by third parties, such as those who serve content or provide advertising or analytics services on the website ("third party cookies"). Both websites and HTML emails may also contain other tracking technologies such as "web beacons" or "pixels." These are typically small transparent images that provide us with statistics, for similar purposes as cookies. They are often used in conjunction with cookies, though they are not stored on your computer in the same way. As a result, if you disable cookies, web beacons may still load, but their functionality will be restricted.

How we use cookies

We use only the cookies that are necessary strictly for technical reasons. These cookies are essential for our website and services to perform basic functions and are necessary for us to operate certain features. These include those required to allow registered users to authenticate and perform account-related functions, store preferences set by users such as account name, language, and location, and ensure our services are operating properly. We do not use any advertising cookies.

In addition, we also use optional analytic cookies to improve user experience and the functionality of our website.

Controlling Cookies

You can manage your cookie preferences through your web browser settings. Most web browsers allow you to block or delete cookies, limit the types of cookies stored, or receive notifications when a new cookie is set. Please note that blocking or deleting certain cookies may affect your user experience and the functionality of the Site.

For more information on how to manage cookies in popular web browsers, please visit the following links:

Google Chrome: <https://support.google.com/chrome/answer/95647>

Mozilla Firefox: <https://support.mozilla.org/en-US/kb/enable-and-disable-cookies-website-preferences>

Microsoft Edge: <https://support.microsoft.com/en-us/help/4468242/microsoft-edge-browsing-data-and-privacy>

Apple Safari: <https://support.apple.com/guide/safari/manage-cookies-and-website-data-sfri11471/mac>

On a mobile device, you may also be able to adjust your settings to limit tracking.

[Changes to this Cookie Policy](#)

We may update this Policy from time to time to reflect changes in our practices, technologies, legal requirements, or other factors. We encourage you to periodically review this Policy for the latest information on our cookie practices.

[Contact us](#)

If you have any questions or concerns about this Policy or our use of cookies, please feel free to contact us at info@novitus.lv

By using our Site, you agree to the use of cookies described in this Cookie Policy.
